Change

This year the Yearbook Staff has made a new change. Since the history of SCHS Yearbook, it has always been a tradition to call our yearbook the "Clairvoyant". Well this year we have all decided that the new 1977 edition will be called "Saints".

Why? We feel it is necessary to stick to the issue, that is, the yearbook is "us", the students, our school, our teachers, all of the staffs and administration, it's "The Saints".

We hope that you enjoy this yearbook as much as all the hours, fights, and hard work, we put into it to make this book, and most important, to make it one of the best yearbooks ever.

“Head Honchos”

Our principal, Mr. Bolla, came to SCHS in 1975 along with many years of educational administrative experience behind him. In his many years within the district, he helped plan and equip SCHS when he was business manager for 6 years. He had many of our parents, as he was principal of East China Elementary. He holds a Bachelors Degree in education with majors in Industrial Arts and Physical Education. His wife, Marybeth, along with their two sons, David and Dan, are residents of St. Clair.

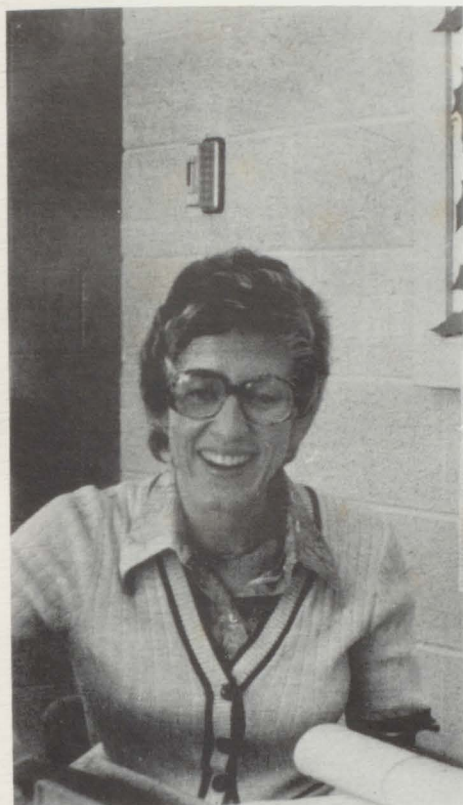

William W. Danneels, Secondary Coordinator-North, received his B.A. and M.A. degrees from Michigan State University. He also has 30 semesters of credit from other institutions. His list of past occupations include: Junior High principal, Assistant Superintendent for Business, and as Assistant Superintendent for Curriculum with the East China Schools.

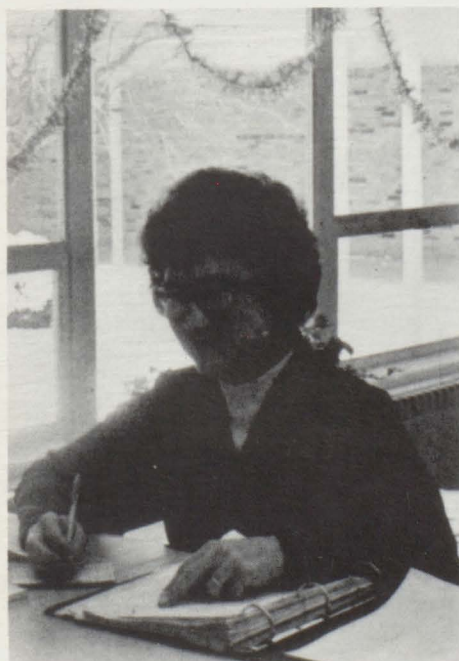

ABOVE: Our principal, Mr. Robert Bolla. **ABOVE RIGHT:** As soon as Mr. Bolla returns from his Rotary Club meeting on Mondays at the St. Clair Inn, he no quicker has his coat off, than he starts back to work. **BELOW LEFT:** One of the many jobs that keep Mr. Bolla occupied, is the constant hassle of working out schedules for students who got mixed up by the computer. **BELOW:** Mr. William Danneels coordinator at the North end of the district. **BELLOW RIGHT:** Mr. Danneels looks over his days work.

BELOW: Proof that secretaries are human and do smile, is Miss Schroepel. **RIGHT:** Posing in a scene are, Mrs. Beryl Levy, Mrs. Phyllis Rocker, and Miss Phyllis Schroepel. **BOTTOM LEFT:** Indicating the joy it is to take attendance, is Mrs. Levy. **BOTTOM RIGHT:** Counting the money is Mrs. Rocker.

“Chaos Controllers”

School wouldn't be the same without secretaries. Our school is lucky, to have three efficient people in the office.

Mrs. Rocker started working at SCHS in August, 1968. She enjoys sewing, crocheting, and also babysitting with her three grandchildren, Scott, Ricci Rene', and Kari Lyn.

Having worked in the district for over nine years, most of them being at SCHS, Mrs. Levy finds working at the school very interesting. She lives in St. Clair with her husband, two daughters, and her mother. She is active in her church, and likes being outdoors.

Back in September of 1974, Phyllis Schroepel came to work at SCHS after attending school here. She enjoys sewing, music, growing houseplants, and more.

“Confectionary Sweeties”

Remember last year? We had to brown bag our lunches: buy micro cooked burgers. Well, our cooks are back, Thank God! Have you noticed the long lines? They're serving the best as always. It's funny how you don't realize how bad you can miss something when you no longer have it. Mrs. Burroughs, our head cook, has kept things on the ball. In fact, we are quite lucky that we have one of the best cooking staff in the county!

There are 15 cooks in the St. Clair School District and on the average, our cooks feed 900 students and on a special day, over 1000 students and teachers. They cater to all the schools. In other years, most of the food was made in the schools own kitchen. St. Mary's also eats at the intermediate school. The schools receive its' food from Interstate United Corporation. The headquarters is in Dearborn. Our director is Elmer Stanko from Port Huron. He checks on the kitchens and buys most of the food. The secretary, Mrs. Beverly Steel, does the bookwork and handles the telephone.

The lunches consist of a main meal, a combination sandwich, ala cart items like cookies, salads, cakes, chips, fruits, and ice-cream. All of our cooks are from St. Clair, but Mrs. Warwick, who is from Marine City.

UPPER LEFT: Betty Laporte expresses mixed thoughts after concluding another ice-cream sale. **LEFT:** After the dishes are washed and then leave the dishwasher, it's up to Irene Lukasak to make sure that they are dry. **ABOVE:** It may seem a little hectic with three people behind the counter, but Mary Gauthier, Irene Lukasak, and Genevieve Hutkowski know exactly what they are doing.

LEFT: In the center, our head cook Anita Burroughs, around her to the left, Genevieve Hutkowski (helper) Irene Lukasak (helper) Shirley Warwick (cook II) Betty Richter (cook III) and Louella Muhlitner (cook III). Not shown is Mary Gauthier (helper) and Betty Laporte (helper). **BELOW:** Mrs. Burroughs taking a rest while Mrs. Richter takes up where she left off. **BOTTOM LEFT:** Mrs. Burroughs, Mrs. Warwick and Mrs. Muhlitner discussing the latest gossip from the Galloping Gourmet.

St. Clair High School "Gourmet Staff"

We thought it might be kind of nice to make up a list of some thoughts which might be heard coming out of the cafeteria doors, besides the blaring music of the stereo. We compiled the following thoughts: "It was just finger-lickin' good." "It's not fried chicken daddy, it's Shake-n-bake, and I helped!" Mashed potatoes or stuffing? I can see myself! We do it all for you! Nobody can eat just one. It's not nice to fool mother nature.

Well, that last pun applies to us and so we better end this nonsense. All in all, eating here is the best of all.

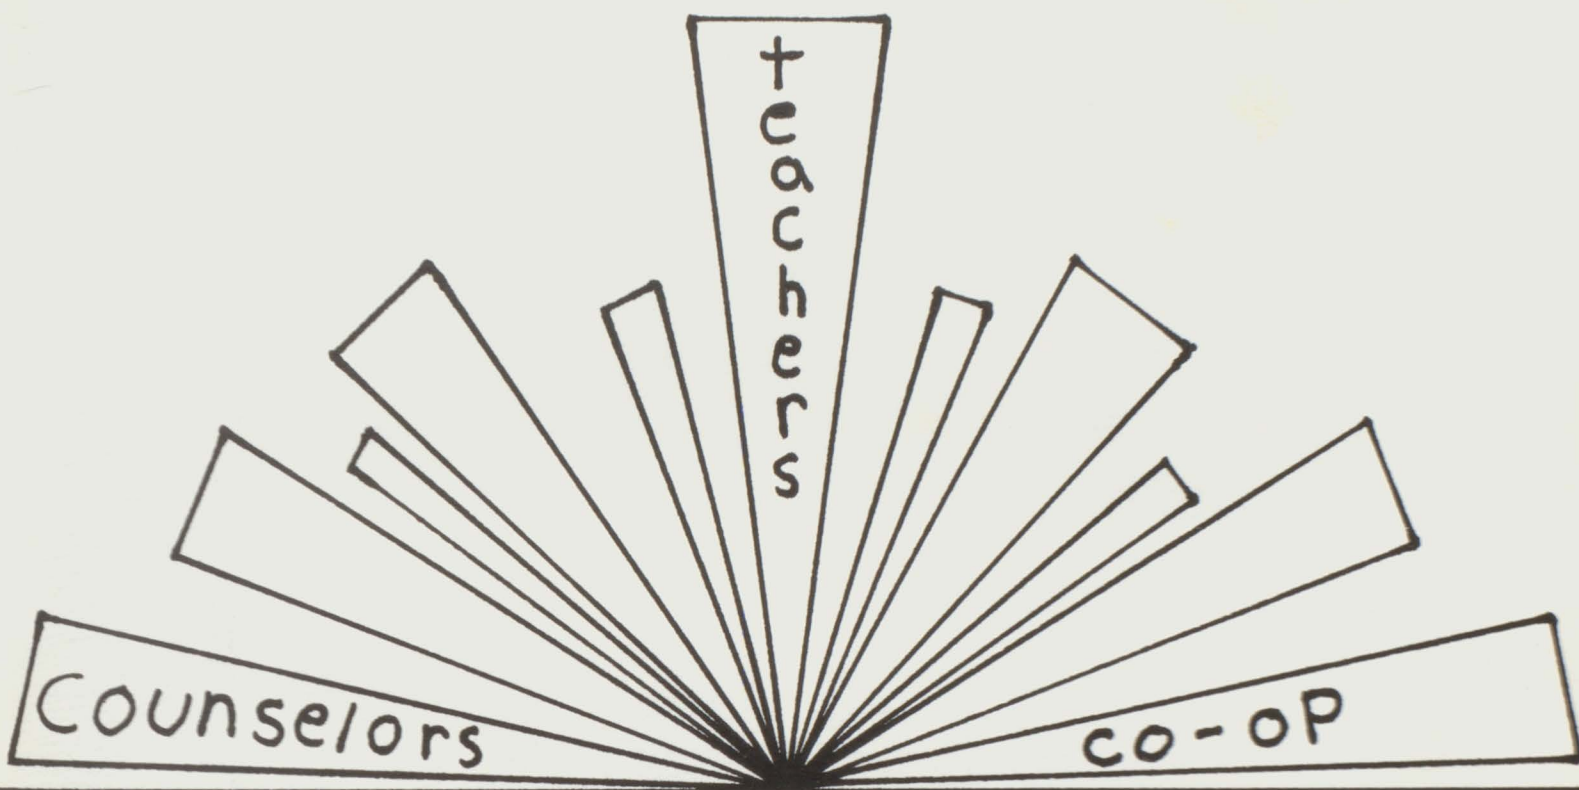

Custodians Always Meet SCHS Needs

The one thing that we as students of St. Clair High can be proud of, is the cleanliness of our building. Because of this, we feel that credit should be given where it is due. In this case, just praise is given to the custodians of SCHS.

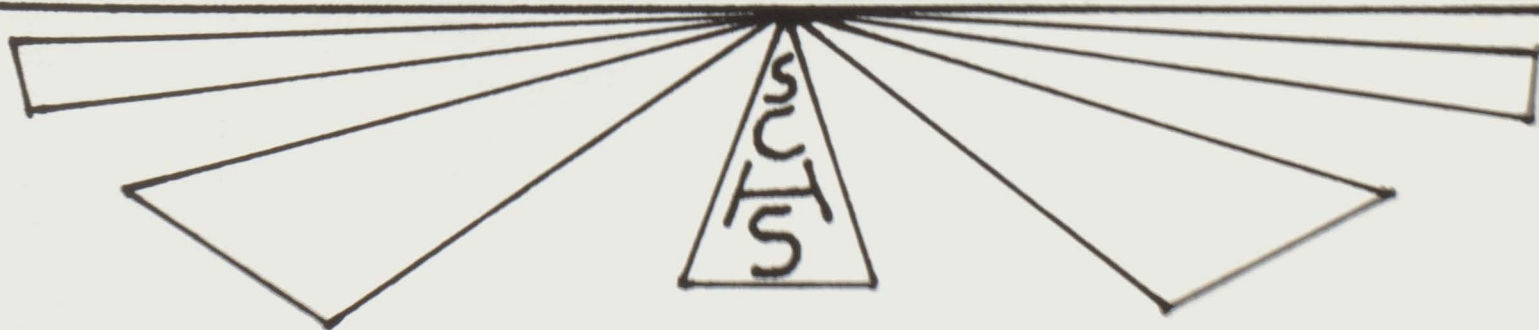

Working in two shifts, the men keep our school 'spic & span' at all times, even during summer vacation. Along with their regular duties, they are kept busy repairing necessary equipment.

UPPER RIGHT: The family portrait of the SCHS custodians is (front row) John Dasharion, Norma Thomson, Harold Meiselbaugh, and Robert Bryson. (back row) Ray Klaski, Paul Essinger, and Carl Oman. **ABOVE:** Posing as if sweeping the hall, is John Dasharion. **RIGHT:** Superman of the cafeteria is really Ray Klaski. **FAR RIGHT:** Locking up the doors is one of the things Harold Meiselbaugh does with ease.

They had a class called "Charisma" which was sponsored by the Pt. Huron School of Business. It was held the week of November 29th. The students also held an open house on December 15 for their parents and for the local businessmen. This was a perfect time for job opportunities to arise. In February the girls put on a fashion show, with the help of the merchants, Mrs. Webb and Mr. Tharrett. It turned out to be a very exciting evening.

Tests consist of: push-ups, sit-ups, squat thrusts, vertical jump, bench press, shoulder curls, pull ups, dips, and hop-step and jump. They lift weights on Monday, Wednesday and Friday. On the days in between, the students have an activity day to play basketball or other sports. At the end of the year, they have a competition between the different weight divisions of the fifth and sixth hour weight training classes.

Dance and Gymnastics is a semester long class, but may be repeated. Ten weeks of Jazz, Modern Dance (free form of Ballet), disco and rock are the dances taught during the class. The students also have to do a final composition. There is also ten weeks of gymnastics. Tumbling, floor exercises, trampoline, mini tramp, balance beam and vaulting are the units covered in gymnastics. In January, the students presented a gymnastic show for their parents.

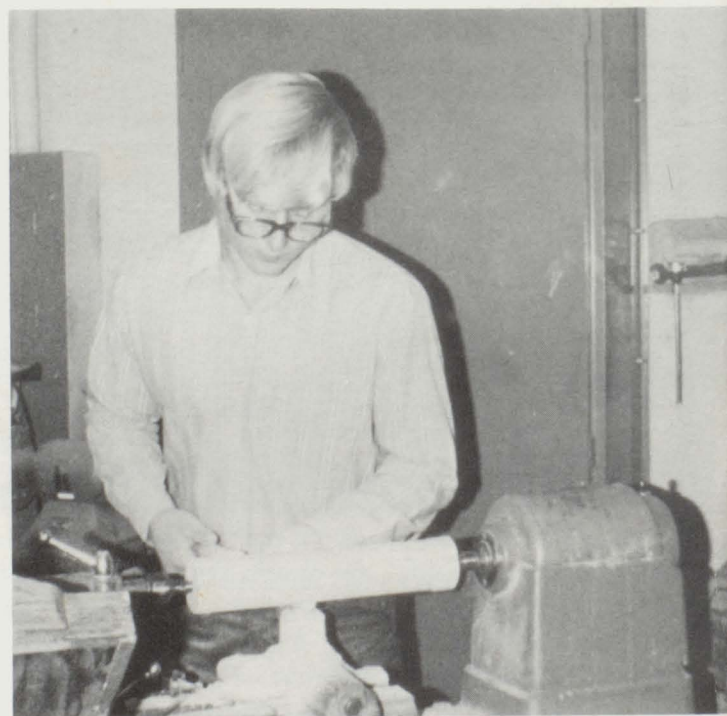

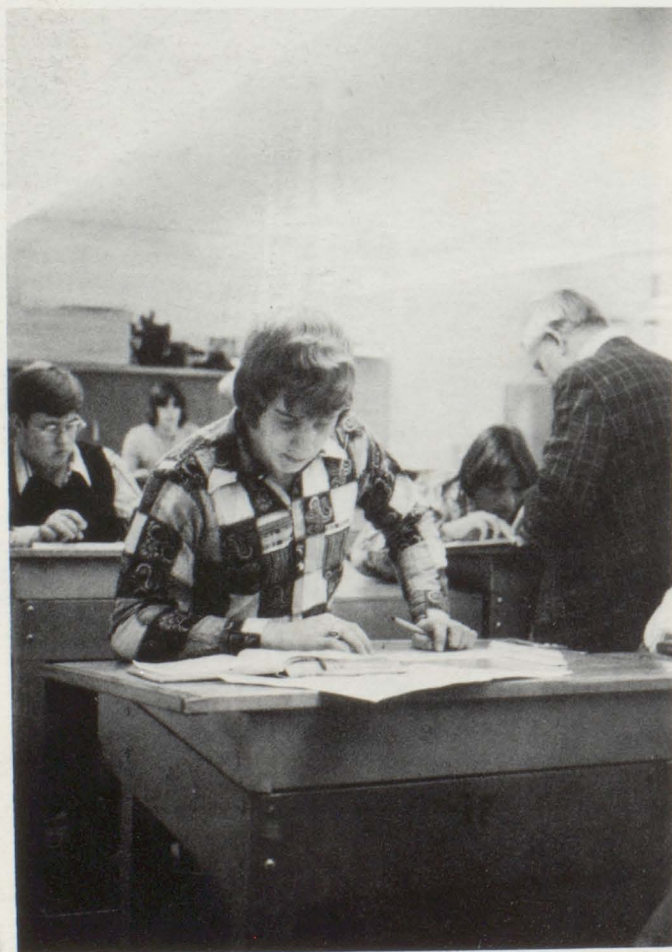

Lifetime Sports is taught by Ms. Perrault and Mr. Watt. It gives the students the opportunity to learn how to play the sports that they can use later on in their lives. These sports include: tennis, golf and bowling. Lifetime Sports is offered to any junior, senior, male or female, wishing to get involved in the sports of life.

The band class offered at St. Clair High School is taught by Mr. Bareham. He puts much of his time into teaching the students how to play their instruments better and how to read music. Not all of the credit goes to the director of a band because it takes students who want to learn to make up the band also. In the fall the Marching Saints get together three days a week for two hours and goes over their music and formations for the halftime show at the football games. In the Marching Band are students in grades 8 - 12. When fall is over it is time for the students to get out their Concert Band instruments. In this band are grades 10 - 12. This band is a regular class and is offered to anyone who is willing to put a little work into playing an instrument and at the same time have fun. This year the Concert Band played for the Elementary schools and the Jr. High School along with two public concerts. The band also participated in the Blue Water Band Festival and MSBOA. The students in band get involved in their playing of music to make the band what it is.

Sing Around With Chorus

The St. Clair High School Chorus has performed two public concerts this past year. They were held on January 13, and May 19, 1977. The 25 students in Chorus have learned a wide range of songs. The chorus class has done a fine job this past year. The students are as follows: Tracy Brabander, Annette Chapman, Janette Closs, Mary Craig, Diana Groves, James Hendreck, Suzanne Hoffmann, Kathy Kammer, Darlene Lawrence, Tina Maranzano, Vicky Messer, Karen Murray, Tim Page, Donna Senesy, Kim Shovan, Shelly Simonetta, Georgine Siudym, Julie Turecky, Chuck Turner, Lynn Huston, Denise Warren, Kevin Vernier, Carole Cummings, Wendy Varty.

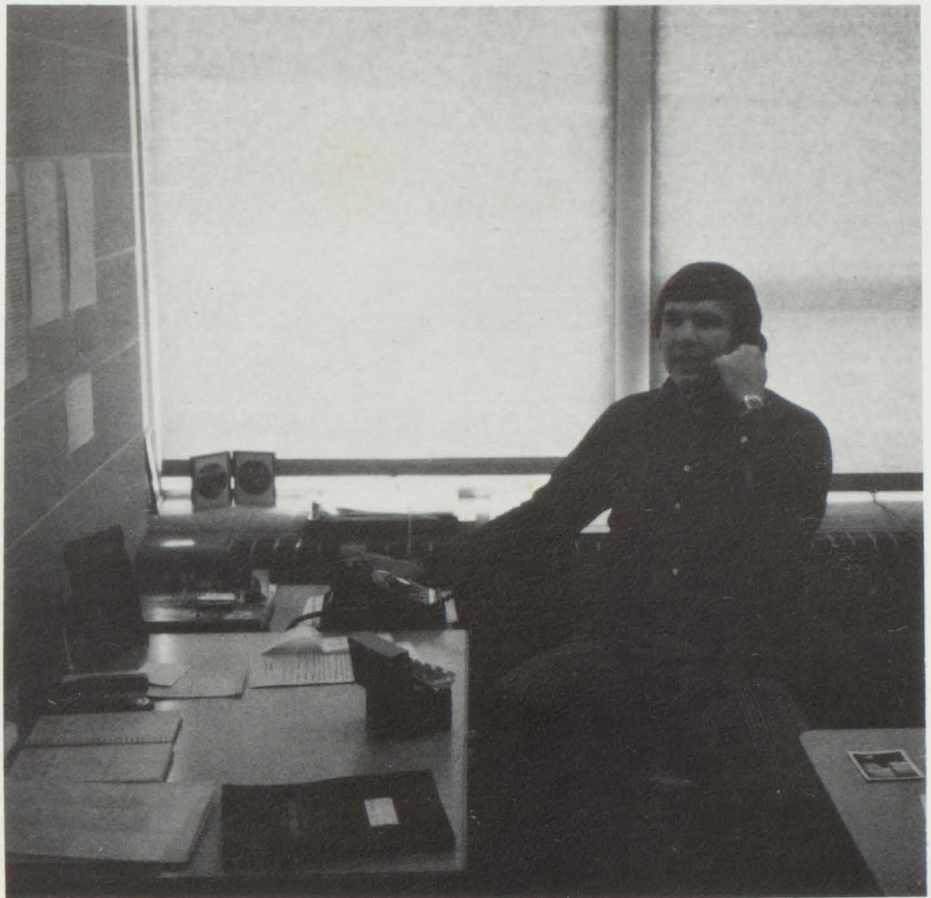

"Big Ben"

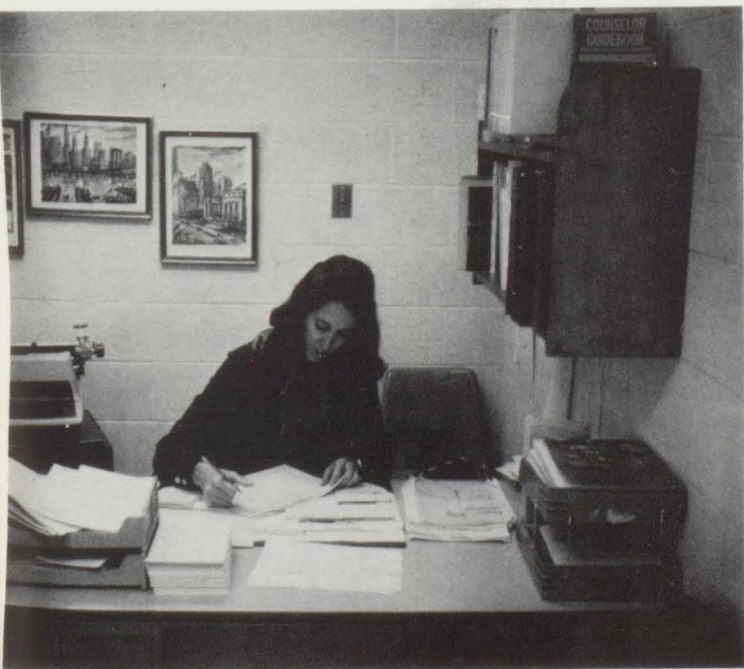

If anyone is capable of taking care of the students in our school, that person is Mr. Witukiewicz. His knowledge and past experience as coach of the football teams has helped him to handle these situations.

Along with him in the guidance department, is Mr. Donald Vincent and Mrs. Barbara Saph. These two counselors have devoted many hours of their time to help the students of SCHS. Without their constant devotion and know-how, things would most likely get out of hand. For this, we thank these members of our faculty.

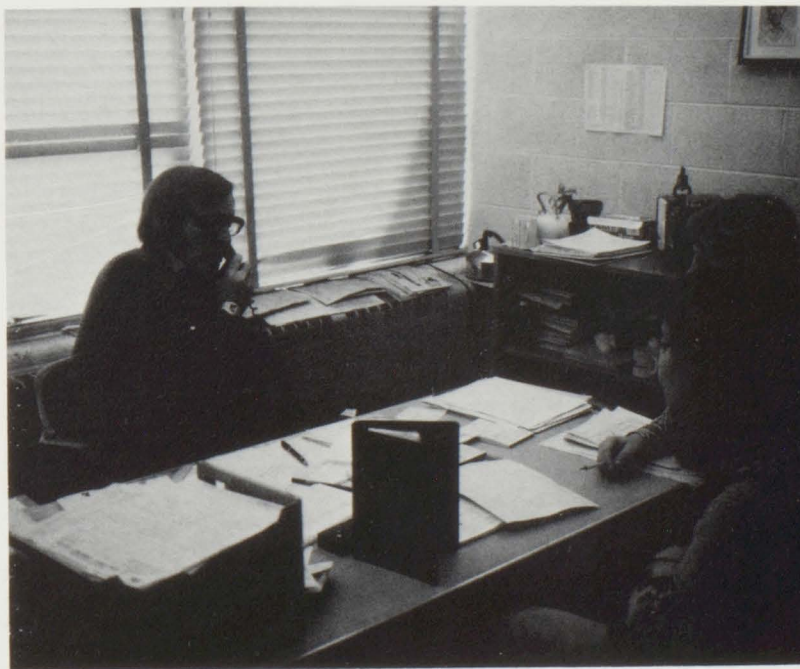

RIGHT: One of the many jobs that go with being the "Dean of Students" is the task of calling the parents of students who have a discipline problem.

Reconstruction Era of Guidance

ABOVE: We were quite lucky this year to be able to have a second counselor to reduce the workload involved in scheduling students for classes. This second counselor, who we regained because of the passage of the millage, is Mrs. Saph.

ABOVE: Handling two things at once, is Mr. Vincent who finds time to answer the telephone as well as talk with students, Terry Swierkosz and Jamie Stockwell.

A vocational course is also taken to help the student more fully understand the job and correlate the job with this course.

WORK EXPERIENCE: Work experience is a program in which a student learns and applies his skills at the same time in a certain field. A related training course is also taken to help the student with any difficulty he might have.

SKILLS CENTER: Teaches you the basic skills before entering that field. To be in the skills center, you don't need any previous classes that are related to that field. You must fill out an application form, and the people from the skills center check your attendance and grades and the skills center decides which people are capable. You go for three hours, either in the morning or afternoon, you work at your own rate, and your goal is to be certified. The following fields are offered: Steno-Clerical, Accounting and Computing, Data Processing, General Merchandising, Health Care Assistance, Cosmetology, Food Service, Graphic Art, Auto Mechanics and Body repair, Small Engine Repair, Machine Shop, Manufacturing Skills, Welding, Plastics, Heating Ventilation and Air Conditioning, Building Construction, and Building Maintenance.

The St. Clair High School Library is opened only on even days but, it's open every lunch hour. Miss LaBeau doesn't only work at our library, she also works at St. Clair Intermediate School. The library has a good reference section for people who need references for such things as book reports and speeches. The library is also a good place to go when the classroom is too noisy to concentrate in.

The graduating class of 1978 has been through some rough times throughout the past five years. Every year it was a new problem of where to put us. In seventh grade we were put on half days. During eighth grade, in the middle of the year, they put us back on whole days. To top it off, in our freshmen year we had to stay at the Junior High for another year. Finally we made it to St. Clair High School. Despite all our troubles in getting here, the Class of '78 turned out to be GREAT!

Rich Nauman and Wendy White discuss some of the problems of the pioneers in U.S. History.

St. Clair Involves People From Other Parts of the World

LEFT-RIGHT: Sigrid Petersen and Satoko Suzuki point out their country.

Sigrid Peterson comes from Theil, a town in Schleswig-Holstein county, in West Germany. Theil is divided at the Baltic Sea and is the biggest harbor town in that county. The population is 260 thousand and includes schools, universities, libraries, theaters and other public institutes.

In Sigrid's school system Kindergarten is not required, instead they start elementary school at the age of 6 or 7. After 4th grade, they may go on to middle school which provides for a better training in a "better" or more educated job or they can stay at the same school until after 9th grade. They may also train for the "Gymnasium" graduate after 13th grade and going to a university, which provides for a class system or visit the school of their choice.

Theil, provides for many activities for youths, especially in summer for children who cannot afford to travel. They may go downtown by electric train, car or bike. There are many restaurants and young people.

Sigrid is sure that even though there is quite a western influence in Germany now, it would be quite an enjoyable experience for us in her country as she has found in ours.

Satoka Suzuki, known to us as Sally came here as a Youth For Understanding Exchange Student in August of 1976. She lives in Nagoya City, in the southern part of Japan. This is the first time that Sally has seen snow as it only snows in the northern part of Japan. Sally enjoys winter activities and the Sladowski family, of 5 brothers and 2 sisters, whom she is living with, as she has only 1 elder brother in Japan.

In Japan, Homecoming, Halloween, Thanksgiving and Easter are not celebrated. However, Christmas and New Year's is prosperous as they eat special dishes, which are called "Osechi-ryori".

The schools in Japan start in April in which the students have 16 different subjects, and 6 years of that include English.

Rice is a main food and chopsticks are used, however, so are forks, spoons, and knives. The low tables in Japan have been recently changing to high tables and chairs which are used by Americans.

Sally hopes to visit the U.S. again and is interested in English. She hopes to go to a University to study English so that some day she may be an English teacher or an Interpreter.

St. Clair High Students See Different Parts of the World

Vicky Warren — Denmark

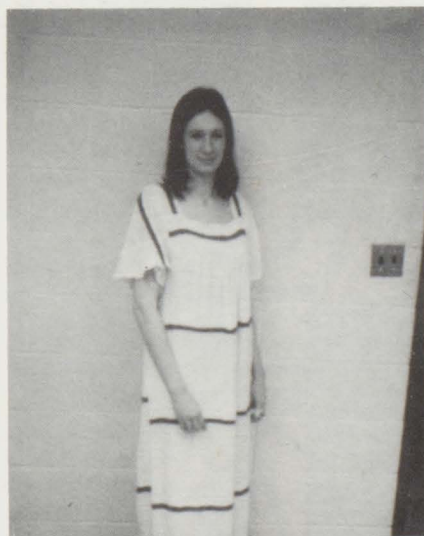

Patty Huston — Denmark

Chris Tabor — Japan

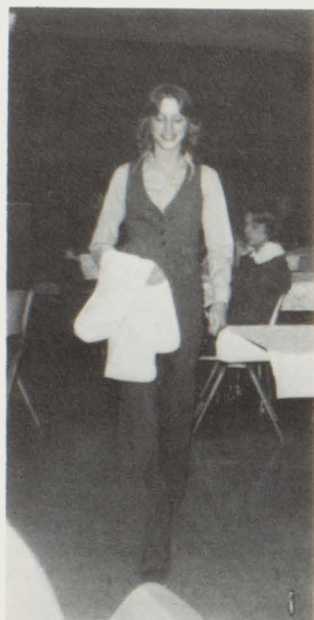

Tim Page — Mexico

Bridget Heindrick — Spain

Six students from St. Clair High School went to different parts of the world during their Junior Summer Year. They learned different types of languages and different kinds of customs. They brought back souvenirs from the country. Some of the pictures we have taken are showing the different types of clothes they wore. The people that went, enjoyed their stay with the people they lived with. Some wish to return to their Country.

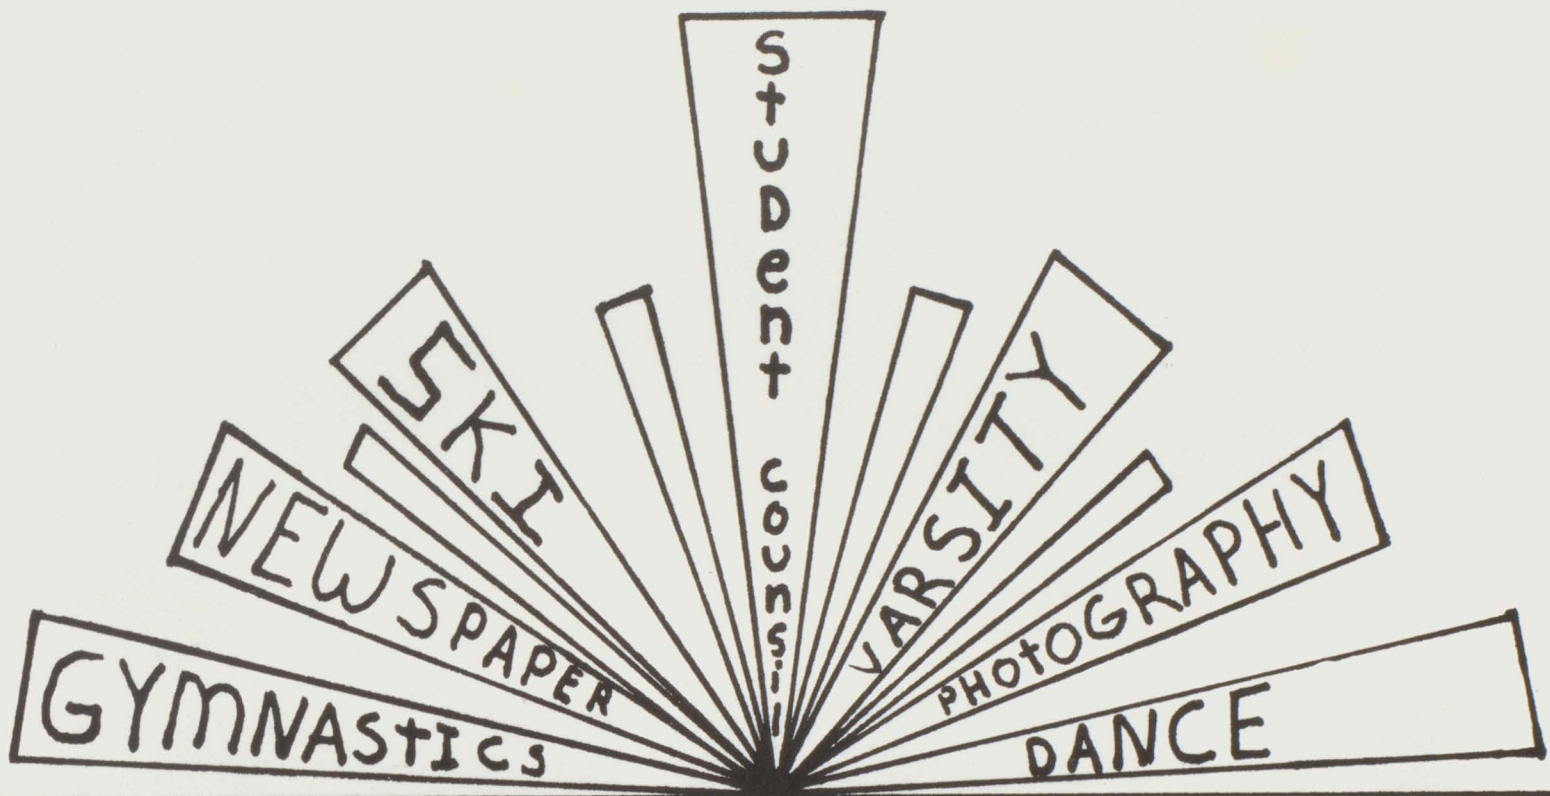

Catch a Glimpse of Spring

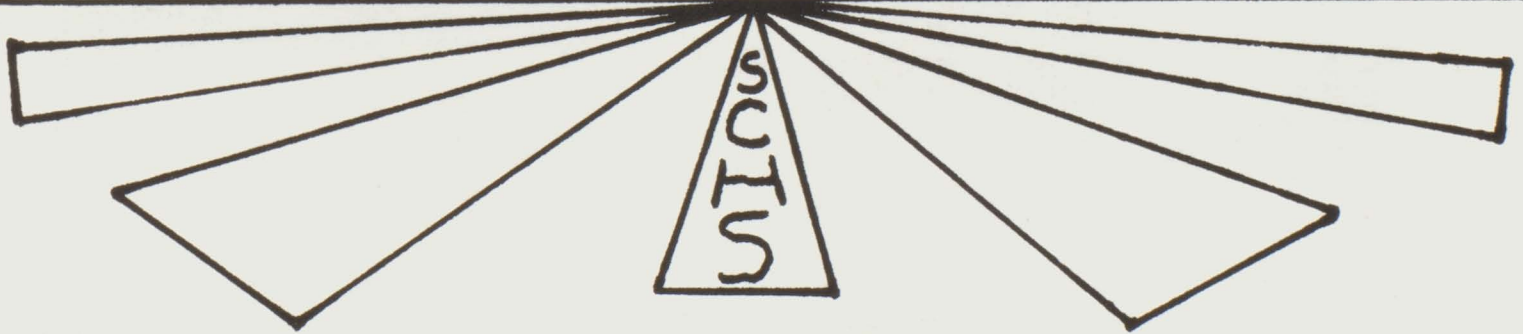

"A Glimpse of Spring" was presented by the Office Education Block students on February 24, 1977. It was held in the St. Clair High School Cafeteria. Sponsoring the Fashion Show were: Hers, Dancer's and Shoe Haus all of St. Clair, Ron Lendzions of Port Huron and Miller's of Marine City. Decorations were compliments of Thompsons of St. Clair. Miss Cawrse did a lovely job on the piano.

The S.C.H.S. gymnastics club is open to any student interested in improving their skill level in this area. Students practice every Tuesday at lunch time and also after school from 2:00 to 3:00. The areas covered include floor exercise, swedish gymnastics, vaulting (using both the horse and the mini-tramp), tumbling, beams, and the trampoline. Spotting techniques as well as safety and the use of the overhead belts are stressed. Student test stunts off of a large skill chart before progressing to the next stunt. Students strive for improved form, grace, flexibility and agility. You may hear "Kaka Toes", this is to remind the performer to point his or her toes! Come join us, its fun! Watch us in our annual Gymnastics Show each January.

CENTER LEFT: Bev Babcock shows her skill on the uneven bars in a handstand. **ABOVE:** Sheryl Davis straddles the horse as Marcie Shell and Wally Stilwell look on.

The Graceful Art of Dance

St. Clair High School's Modern Dance Club consists primarily of jazz, modern, contemporary and ballet dance forms. The instructor, Ms. Perreault, organizes sessions into warm-ups, technique, improvisation, composition and repertory. Students practice "teacher made" dances as well as composing their own. Try-outs are held each year, with the best dancers included in the annual dance concert. Emphasis is given to student choreography with the performance as the final step in this choreographic process. Each year, "S.C.H.S. Dancers In Concert" may be seen in May. The club strives to present a balanced show including folk, jazz, novelty, ballet, and modern dances as well as rock dances using the total dance company, solos and small group numbers. This concert is presented by the Dance Club and the Dance and Gymnastic Classes. Both young men and women may enroll in these two dance experiences. Dance club meets every Friday at lunch hour and also after school from 2:00 to 3:00 p.m.

Saints Have Plenty of Spirit

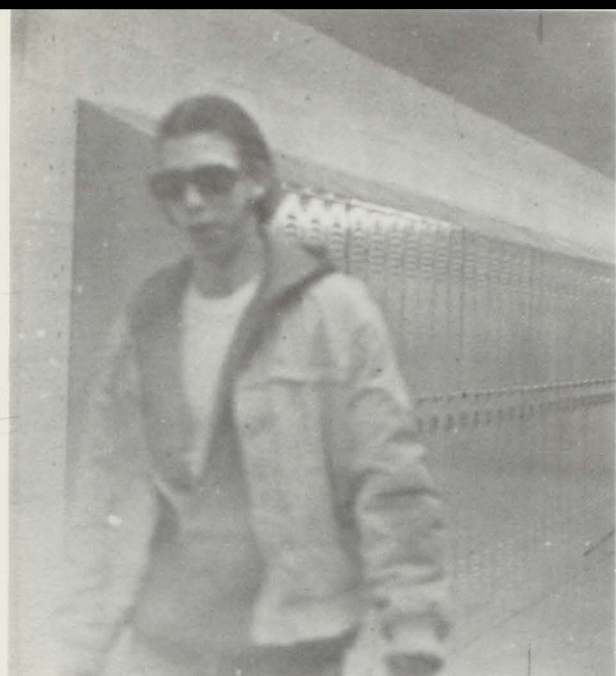

February 14-18 was Spirit Week at St. Clair High. During the week, the students had a chance to show which class had the most spirit. There was a pie eating contest, a tricycle race and a three legged race. We, also, had a Red and Blue Day, Fifties Day, a paper chain and a penny contest. Winners were decided by the number of points collected by each class throughout the week. There was a tie for first place between the Seniors and the Sophomores, with the Juniors coming in second.

Juniors win with Best Float

The Juniors win the honors for the best float. Everybody that participated in building the floats had a good time. It took a lot of hard work but everybody seemed to manage. Maybe next year the other classes will have a chance, but this year the Juniors walk away with the title.

The parade started at the Junior High School and ended at the Riverview Plaza. At 2 p.m. the football game began. During halftime the Court was presented and the Queen and King were announced. Jo Ann Pavlov and John Starr became the Queen and King of St. Clair High for 1976-1977. To end the day an annual Homecoming dance was held at the high school.

Try-outs for the 1976-77 Varsity Cheerleading squad began in May of 1975, when 9 girls from the Junior and Senior class were elected to represent St. Clair High School. The chosen cheerleaders were: Three Seniors, Bev Babcock, Diane Lyden Co-captain, Patty Huston - Captain, and six Juniors, Shawn Babcock, Lu Ann Gilbert, Ann Huston, Julie Murphy, Mary Sue Skoneizcy and Magda Mallas - alternate.

The summer practices then began, but they were not very successful with the absence of two girls who were overseas.

They were finally allowed to get new uniforms this year, but they had not arrived in time for the beginning of football season.

A good football season came and went and then it was basketball season. Both seasons consisted of hours of practice, raising money, serving dinners, planning pep meetings, painting signs, making up routines and skits and planning a Spirit Week during basketball, which the student body readily participated in.

All the cheerleaders really enjoyed cheering for both the football and basketball teams. They were sad to see it end and, no doubt, the three Seniors wish they could come back next year to cheer their Saints on to victory.

Super Sports of SCHS

Miss Shaw is our number one sub. Besides subbing, she coaches girls basketball, track, and volleyball. She's also the most active sub.

Mrs. Cornish is number 3 on the agenda this year. When she is here she gives her utmost, her qualifications are endless.

A senior, Pat Skonieczny, worked a great deal on our yearbook, while in OEB. She is also the president of the senior class.

Working hard during lunch, Mrs. Wilson picks up after everyone as well as selling milk.

Our number two substitute is Mr. Schunk. He too, is active in our school as Asst. Coach for football and baseball. He does a great job of teaching.

Mrs. McCartney is our all around good "guy". Besides helping the faculty, she aids Mrs. Wilson in the cafeteria at lunch time.

TOP LEFT: Showing her enjoyment as a substitute, is Miss Shaw. **TOP RIGHT:** Mrs. Cornish takes her work seriously. **ABOVE:** Standing in the sunshine enjoying himself, is Mr. Schunk. **CENTER:** Apparently sold out of milk, is Mrs. Wilson. **MIDDLE RIGHT:** Playing and working come naturally for Pat Skonieczny. **LEFT:** "Checking it out", is Mrs. McCartney.

6 wins	11 losses		

The 1977 Tennis team had a bit of a tough time this season. Their league record stood at 6 wins and 4 losses, with the overall league record of 6 wins and 11 losses. Coach Ronald Stablein enjoys helping the players with the ways of the game, but also watching them and their confidence grow. The hard-working team consists of all boys, except three girls. Kelly Walker was voted captain, and kept the team in good spirits. In the league meet, the team placed fifth, and in the regionals, they placed fourth.

SAINTS MAKE DUST FLY

Dust did fly, but not as much as was hoped for. The **boys track team** this season proved better than past years, by breaking many records. Even with this, they weren't able to compete with over-whelming success. The relay teams had no trouble clicking off, they had speed and determination. Sprinters were also at a peak, as were the high and long jumpers. All the guys kept in there, practicing to perfect themselves with their own certain event as much as possible.

At the annual Spring Sports Banquet, many well deserved awards were given out. Just to mention a few, Doug Rutt was presented with the track-man award, which was easy to understand. There were two "Most Valuable Sprinter" awards, going to junior Dave Ingles and sophomore Kevin Bluhm. Coach Ben Witukiewicz kept the guys going and the spirit strong. SCHS is very proud to have athletes who have such a will to keep going forcefully and to overcome and understand the disappointment of defeat with valor.

SPIRIT: THE KEY WORD

So their team record wasn't too good, but they put all they had into it and still came out with good spirit. Most of the team consisted of freshman, who showed what they can do, and did a fair job doing it. Captain Sue Westrick boosted everyone's spirits, and kept them smiling. Two managers, sophomore Heather Dunsmore and junior Kelly Fraser, kept the team on their toes, and were sent on countless little errands. Without them, everyone would have died of thirst. The team knew that they weren't any match for those super athletes in the Olympics, but in their hearts, they were number one. And the one special person they can thank for that, is Coach Nancy Shaw.

UPPER LEFT: Steady pace and even breathing are what counts when you run the two mile run, as Sue Westrick (foreground) and Laurie Desmet (in third place) are well accomplishing. **UPPER RIGHT:** Here, timing really counts. One second off, and it's ruined. But Karen Schuenenman (receiver) and Mary Green (passer) had no trouble making one of their many smooth hand-offs. **LEFT:** (Team cluster) **From top and left to right:** Ann Knudsen, Jill Butlin, Manager Kelly Fraser, Debbie Holbrook, Mary Green, Nancy Erickson, Kathy Kolan, Kim Hicks, Karen Schuenenman, Debbie Bickley, Diana Egle, Gigi Valentine, Manager Heather Dunsmore, Joan Everitt, Betty Oles, Debbie Child, Cheryl Davis, Captain Sue Westrick, Mary Sue Skonieczny, and Coach Nancy Shaw. **Not pictured:** Debbie Majeski, Karen Beach, Laurie Desmet, Laura Gutt, Alice Huntoon, Sue Kasperski, Susan Levy, Pam Mills, Pam Mollan, Ann Stoecker, Julie Sullivan, Colleen Swiacki, Carrie Westrick, Wendy White, and Brenda Yeip.

The 1977 Varsity Baseball team was coached by Rich Mallwitz. In the overall standings, the team lost 9 and won 5. In the league standings, they lost 7 and won 3. All the members of the team put a lot of effort in their games to play their best.

St. Clair Hosts Blue Water Band Festival

The annual Blue Water Band Festival was held on April 27, 1977 at St. Clair High School. The high school bands participating in this festival were from Anchor Bay, Marysville, Marine City, and St. Clair.

The program began with each of the four bands playing one selection. The next part of the program was a new addition to the traditional Blue Water Band performance. Outstanding musicians from each of the four high school bands were selected to perform in the Blue Water Honors Band. The conclusion of the program was the traditional performance by the massed bands. All band members from each of the four schools assembled into one band to perform. The Honors Band and massed bands were directed by guest conductor Kenneth Bloomquist, director of bands and professor of music at Michigan State University.

Is what Linda Jeroue seems to be saying, while her date, Rod Barrons, looks on with puzzlement.

PHOTOGRAPHED MEMORIES

Carol Zimmer and her escort Chip Bennett start off for an evening of excitement. **MIDDLE RIGHT:** Viewing the rest of the prom goers, Terri Robbins and her date Larry Williams perch themselves at the peaceful water fountain. **BOTTOM LEFT:** Enjoying a quiet moment, Karen Robbins and Jerry Hall find time to let the evening catch up with them.

The big night finally came for the months of talked about excitement, for the class of '78. This years Junior Prom was held on March 5, 1977, in spite of the cold chill of late winter. It was held at the newly built Port Huron College Center, where a lighted water fountain gave the evening a romantic touch. To keep the evening moving, the Baily Street Band, from Romeo, Michigan, played many lively and popular tunes. After the prom, many couples gathered at friends houses to top off their night of unforgettable fun. The evening still and will always hold many lively memories in the hearts of the students who attended the Junior Prom.

One of the many activities that Seniors have an opportunity to participate in while still in high school, is the annual Senior Class Play. Through the co-operation of the class's chief advisor, Mr. Donald Weber, the class of 1977, put on one of the most modern and up-to-date performances ever slated by a high school. The play, written by Neil Simon, entitled "God's Favorite" brought the community together to view talents from students involved in drama, sets, props, curtains, sounds and lighting, as well as the cast itself. A play can not be put on with true efficiency without everyone giving their best. Proof of this fact, was well expressed by the great turnout and overall approval of all involved. Once performed, a great feeling of accomplishment could be seen and well appreciated and made it all worth while.

LAST BIG NIGHT OUT

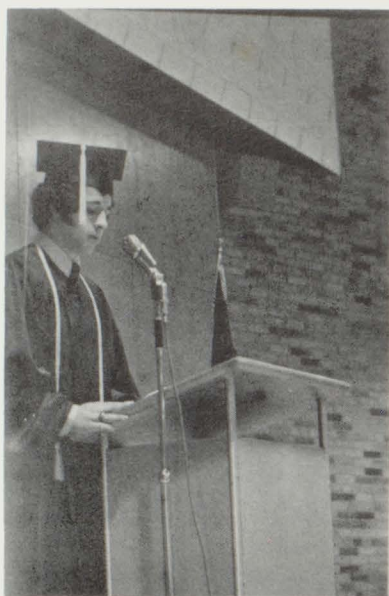

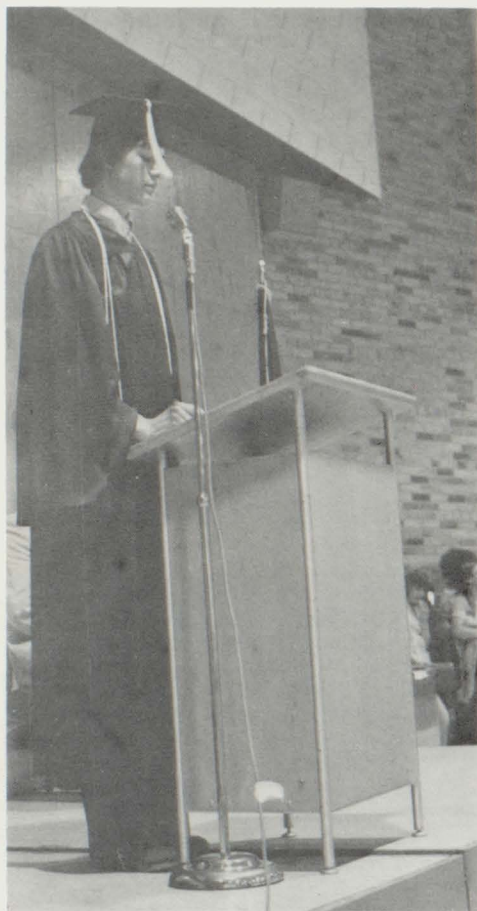

TOP RIGHT: What's happened to Char Sterling here? Could it be the result of a very romantic evening, or because of her handsome escort, John Gielegem, that puts that very dreamy look on her face? It's probably both, mixed together along with the excitement of the evening! **TOP LEFT:** Here we have the prom booklet, which lists the class motto, flower, officers, date of the prom, and so on. **BOTTOM RIGHT:** As the picture clearly states, Tim Page and Ann Emerich had a terrific time at the Senior Prom. **BOTTOM LEFT:** Most couples exchanged flowers, as did Pam Shovan and her date Frank. The buttoners and the corsages gave each prom goer extra brightness. According to these couples, the prom was a great success.

TOP LEFT: Many couples attended the Senior Prom, among them were Wally Stillwell and Bev Rood. Each table had several candles on them, which were lighted to make the night seem even more special. **MIDDLE LEFT:** Everyone donned their best attire for the big night. Here Diane Zimmer wore a beautiful light green gown, and her date, Dave Morningstar, wore a snappy tuxedo. **MIDDLE RIGHT:** Smile, you're on SCHS's candid camera! And so Jackie Quinn and Mike Erdman did just that.

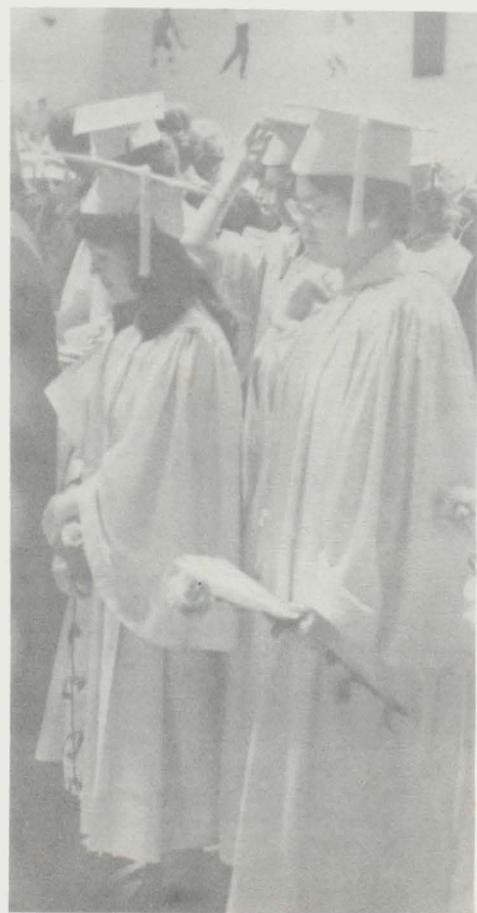

The evening of April 30th was one of the last times that the SCHS class of '77 would be together. The Senior Prom, with the theme title of "These Precious Moments," was held at the Holiday Inn in Sarnia. It provided a large buffet with punch. Everyone was kept on their feet with music by the group, Knee Deep, which created quite an exciting evening. Many couples had dinner at the restaurant of their choice, and then they attended the prom for an exciting evening.

"LOOKS LIKE WE'VE MADE IT"

TOP LEFT: Quiet fills the room, as Tim Page, this year's valedictorian, presents his very touching speech. **ABOVE:** Salutatorian Greg Schneider, takes his turn in delivering a speech which was quite moving to the hearts of his classmates. **TOP RIGHT:** Sitting silently with class flower in his hand and diploma on his lap, Tim Page sits in a row of deserted chairs left by classmates who are eagerly waiting for their own certificate. **LOWER RIGHT:** After receiving their diplomas, Pam Sullivan (left) and Debbie Yeip (right) think over what is happening to them.

The big moment, once again, came for a group of young adults. We, Saint Clair High School's class of 1977, received our diplomas on June 12th, at 2:00 p.m. with mixed feelings of a gain and a loss. We gained a different feeling of life, now being able to find our own, free way, into what our future is to be. And the loss being many tight bands of friendship stretching even farther apart. There will be no more crazy days in Saint Clair High for us, no more annual skip days, or being the big kids. We had our share of gladness and sorrow, and have given up our reign to the next graduating class. Many of us have chosen to go on to further education, some find a place of employment, and some are searching in other directions. Yes, we've really made it through the first big goal in one's life.

RIGHT: St. Clair High School's class of 1977 is presented to the audience. **FAR RIGHT:** "Far-out," Julie Jeffries is somewhat dazzled about the whole business of graduation. **BELOW:** Now with their tassels moved to the left, they are true high school graduates. **LOWER RIGHT:** Steven Draper looks subdued, while following behind him, Mark Edmonson, glows with a very happy grin.

“What I want to do when I want to do it.”

Every profession must occasionally lose the rare individual who has given a positive and dedicated standard of excellence to that profession. The teaching profession is one in which such a person, however, can leave, to hundreds, a rich and remembered legacy.

Mrs. Janet Paajanen, who retired this year, will have left us, and hundreds before, such a legacy. She taught 20 years at SCHS which included: homemaking, science, health, psychology, mathematics, English, and has coached girls' interscholastic basketball. Mrs. Paajanen will be missed but remembered.

“A picture is worth a thousand words.” If Janet is not out playing golf or entertaining on her silver platter, she will surely be out traveling with her purse full of money. If you ever want to know what Janet is doing just contact her son Don and he will give you her life story.
